

FRONTLINE INTELLIGENCE

A Targeted Individual's 17-Year Testimony Validates Complete IoB Architecture

*

BETA TESTING THE BEAST SYSTEM

*

"When Technical Documentation Meets Lived Experience, Theory Becomes Proof"

TARGETED INDIVIDUALS ARE THE PROTOTYPE

What you are about to read is NOT :

- an isolated case of institutional abuse
- an accidental manifestation of rogue technology
- individual harassment by corrupt officials

What you are about to read is :

DELIBERATE, COORDINATED, GLOBAL-SCALE BETA TESTING of the complete control grid scheduled for deployment on all humanity by 2030.

Targeted Individuals—those experiencing electromagnetic torture, synthetic telepathy, soul extraction attempts, and Noahide Law enforcement for 17+ years—are not victims of random persecution.

They are RESEARCH SUBJECTS in the largest human experimentation program in history.

Their bodies are LABORATORIES testing:

- Biofield hijacking protocols (before scaling to billions)
- Soul extraction technology (before mass implementation)
- Electromagnetic torture automation (before AI-driven enforcement)
- Noahide Law compliance mechanisms (before global religious totalitarianism)
- Children targeting effectiveness (before multi-generational control)
- Resistance breaking procedures (before Mark of Beast refuser persecution)
- Neural interface integration (before mandatory biological networking)
- SMART Dust concentration thresholds (before environmental saturation)

What they experience INDIVIDUALLY today is what we will ALL experience COLLECTIVELY by 2030.

This is not abuse.

This is PRODUCT DEVELOPMENT.

THE PATTERN: FROM INDIVIDUAL TO GLOBAL

UNDERSTANDING THE PROGRESSION:

PHASE 1: INDIVIDUAL TARGETING (2000s-2020s)

- Select test subjects (genetic markers, spiritual sensitivity, political dissidence)
- Deploy technology (SMART Dust, synthetic biology, electromagnetic weapons)
- Collect data (neural responses, resistance patterns, breaking points)
- Refine protocols (what works, what doesn't, optimal torture frequencies)
- Test children (multi-generational data, developmental control efficacy)
- Document everything (creating database for AI automation)

PHASE 2: GROUP EXPANSION (2020-2025)

- Scale to larger populations (COVID injections deploy synthetic biology to billions)
- Test mass deployment (5G infrastructure, vaccine campaigns, digital ID)
- Identify resisters (those detecting manipulation, speaking truth, refusing compliance)
- Apply individual protocols (targeted individuals methodology scaled)
- Normalize symptoms (gaslighting: "it's just tinnitus, anxiety, long COVID")

PHASE 3: GLOBAL IMPLEMENTATION (2025-2030)

- Mandatory integration (Mark of Beast offered, refusal = exclusion)
- Automated enforcement (AI applies TI torture protocols to all resisters)
- Children mandatory (no exemptions, multi-generational control)
- Soul extraction scaled (cloud storage for billions of consciousness backups)
- Noahide Law activated (electromagnetic torture + execution for Christians)
- Complete control (what TIs experienced for 17 years applied to everyone refusing Mark)

The Targeted Individuals are not outliers.

The Targeted Individuals are the PILOT PROGRAM.

- What works on them will be deployed on you
 - What breaks them will be used to break you
 - What they cannot escape is being built to ensure YOU/WE cannot escape
-

WHY TARGETING IS SYSTEMATIC, NOT RANDOM

THE SELECTION CRITERIA:

Targeted Individuals are chosen for specific reasons:

1. GENETIC MARKERS

- Specific DNA sequences making them ideal test subjects
- Enhanced electromagnetic sensitivity (can detect signals others miss)
- Biofield characteristics (optimal for wireless interface testing)
- Bloodline targeting (multi-generational data collection)

2. SPIRITUAL SENSITIVITY

- Can perceive spiritual warfare dimension
- Detect demonic activity combined with technology
- Maintain faith despite torture (testing resistance limits)
- Provide data on how to break spiritual connection

3. POLITICAL DISSIDENCE

- Early awakening to system (truth-seeking personality type)
- Vocal opposition (testing suppression mechanisms)
- Network influence (analyzing how to isolate/neutralize)
- Pattern recognition ability (identifying threats to system)

4. RESEARCH VALUE

- Diverse demographics (age, race, location, profession)
- Controlled variables (specific torture protocols per subject)
- Long-term data (17+ years tracking same individuals)
- Comparison groups (different torture intensities, different frequencies)

5. DISPOSABILITY

- Socially isolated (easier to dismiss as "crazy")
- Limited resources (cannot afford legal defense)
- No institutional protection (government/medical won't help)
- Stigma prevents help-seeking (afraid of psychiatric diagnosis)

This is not harassment.

This is CLINICAL TRIAL DESIGN.

- Every aspect calculated
- Every variable controlled
- Every data point collected
- Every outcome analyzed

For one purpose: OPTIMIZING THE GLOBAL DEPLOYMENT.

THE COORDINATED RESEARCH INFRASTRUCTURE

WHO IS RUNNING THE TARGETING:

This is not individual bad actors.

This is INSTITUTIONAL COORDINATION across multiple sectors:

DARPA (Defense Advanced Research Projects Agency):

- Brain Initiative (launched April 2013, same month as Coady implantation)
- Project Soul Catcher (consciousness capture/storage, Dr. Robert Duncan documentation)
- N3 Program (non-surgical neurotechnology, wireless brain interface)
- SMART Dust development (microscopic sensors, brain penetration capability)
- 6G body harvesting (human biofield as power source)

INTELLIGENCE AGENCIES:

- CIA (MKUltra continuations, mind control research)
- NSA (signals intelligence, electromagnetic warfare)
- Mossad (Epstein network coordination, international targeting)
- Five Eyes (data sharing, cross-border subject tracking)

CORPORATE ACTORS:

- Palantir / Alex Karp (pre-crime AI, drone directed energy weapons)
- Microsoft (WBAN patent 1999-2001, body-to-body networking)
- Google (neural interface research, AI processing of consciousness data)
- Amazon (AWS processing on human bodies, DOD contract 2017)
- General Motors (biofield energy harvesting patent)

RELIGIOUS ORGANIZATIONS:

- Chabad Lubavitch (Noahide Law development, religious torture protocols)
- Lucis Trust (UN spiritual guidance, Luciferian system administration)
- Vatican (Jesuit Order, Crown Council of 13 coordination)

MEDICAL-PHARMACEUTICAL:

- Big Pharma (synthetic biology development, vaccine deployment)
- CDC/FDA (regulatory capture, enabling experimentation)
- Hospital systems (implantation without consent, data collection)
- Psychiatric establishment (dismissing TI testimony as delusion)

ACADEMIC INSTITUTIONS:

- University research programs (neuroscience, synthetic biology, AI)
- Ethics boards captured (approving unconscionable experiments)
- Publishing gatekeeping (suppressing TI research, maintaining official narrative)

THE COORDINATION:

Crown Council of 13 → Committee of 300 → DARPA + Intelligence + Corporate + Religious + Medical + Academic → Targeted Individuals

- Every sector playing assigned role
- Every institution contributing data
- Every agency sharing research
- Every corporation testing specific protocols

This is not scattered abuse.

This is UNIFIED RESEARCH PROGRAM.

WHAT THEY ARE TESTING ON TARGETED INDIVIDUALS

THE RESEARCH OBJECTIVES:

1. BIOFIELD HIJACKING OPTIMIZATION

Individual Phase (TIs):

- Test wireless connection to biofield (802.15.6 protocol refinement)
- Measure data transmission rates (how much information per second)
- Evaluate power harvesting (how much energy can be extracted)
- Assess network stability (connection reliability, interference resistance)

- Document side effects (fatigue, symptoms, breaking points)

Global Phase (Everyone):

- Deploy optimized protocols to billions simultaneously
- 6G network powered by collective biofield harvesting
- Stable connections to all bodies (lessons from TI failures applied)
- Minimize detectable symptoms (suppress awareness of exploitation)

2. SOUL EXTRACTION ATTEMPT RELIABILITY

Individual Phase (TIs):

- Locate soul precisely (confirmed: 22 grams, base of spine)
- Test copy/simulation/extraction device (portable, iron-sized, electromagnetic method)
- Measure storage capacity (how much consciousness data per soul)
- Evaluate transfer success (soul data set to clone/synthetic/virtual environment)
- Document subject awareness (do they know it's happening, can they resist)

Global Phase (Everyone):

- Copy/Simulate/(Eventually) Extract billions of souls systematically (automated process)
- Cloud storage infrastructure (quantum computing for consciousness data)
- Transfer to synthetics (create "alien" beings, android workforce)
- Digital imprisonment (metaverse as soul containment)

3. ELECTROMAGNETIC TORTURE AUTOMATION

Individual Phase (TIs):

- Identify effective frequencies (which Hz causes maximum pain/compliance)
- Calibrate intensity levels (breaking point without physical death)
- Test duration limits (how long can torture continue before system failure)
- Evaluate compliance rates (does torture achieve desired behavior modification)
- Measure psychological impact (PTSD, despair, suicidal ideation)
- **Assess spiritual targeting** (can torture force religious law compliance)

Global Phase (Everyone):

- AI-automated torture (no human operators needed, scales to billions)
- Personalized frequencies (optimized per individual based on TI data)
- Noahide Law enforcement (electromagnetic pain for worshipping Jesus)
- Mark refuser persecution (systematic torture of all who resist)
- Children included (multi-generational compliance, no age exemptions)

4. NOAHIDE LAW RELIGIOUS COMPLIANCE

Individual Phase (TIs):

- Test thought monitoring (detect believe in/worship of Jesus as "idolatry")
- Apply electromagnetic punishment (pain correlated with Christian thought/prayer)
- Create guilt/sin feelings (make subjects feel they've committed unforgivable sin)
- Force Jewish law compliance (imposing Mosaic/Noahide laws on non-Jews)
- Measure breaking points (how much torture before worship abandonment)
- Document resistance (what maintains faith despite torture)

Global Phase (Everyone):

- Real-time thought monitoring (AI detects Christian worship instantly)
- Automated torture response (electromagnetic pain triggered by prohibited thoughts)
- Global Noahide enforcement (death penalty for Jesus worship)
- Economic exclusion (Mark refusers cannot buy/sell)
- Public executions (beheading for "idolatry" per Revelation 20:4)

5. CHILDREN TARGETING EFFECTIVENESS

Individual Phase (TIs):

- Test children's vulnerability (developmental stage impacts)
- Measure parent breaking (torture children to break parents' resistance)
- Evaluate generational control (targeting families across generations)
- Document consent bypass (children cannot legally consent to experimentation)
- Assess long-term effects (childhood targeting impacts on adult compliance)

Global Phase (Everyone):

- Mandatory child integration (no age exemptions for Mark)
- Developmental control (shaping consciousness from birth via biofield)
- Family compliance leverage (refuse Mark = children suffer)
- Multi-generational tracking (families monitored across lifetimes)
- Eugenic selection (terminate resisters' bloodlines)

6. RESISTANCE BREAKING PROCEDURES

Individual Phase (TIs):

- Identify resistance sources (faith, community, knowledge, willpower)
- Test isolation effectiveness (separate from support systems)
- Apply social pressure (family/friends think subject is delusional)
- Remove institutional recourse (legal/medical systems deny help)
- Create helplessness (demonstrate complete inability to stop torture)
- Measure surrender rates (how many eventually comply, how many resist unto death)

Global Phase (Everyone):

- Apply proven breaking methods to all Mark refusers
- Systematic isolation (economic exclusion, social ostracism)
- Total helplessness (no escape, no help, no alternative)
- Surrender or death (only two options, no third way)
- Execution for refusers (Noahide Law beheading for those who won't break)

7. SYNTHETIC TELEPATHY / VOICE-TO-SKULL

Individual Phase (TIs):

- Inject thoughts (voice-to-skull technology, synthetic telepathy)
- Create auditory hallucinations (hearing voices, commands, threats)
- Test believability (can subjects distinguish artificial from natural thoughts)
- Measure compliance (do injected commands produce desired behaviors)
- Evaluate emotional impact (fear, confusion, despair from voices)

Global Phase (Everyone):

- AI-generated commands (personalized to each individual)

- Behavior modification (subtle suggestions producing mass compliance)
- Confusion/division (making people doubt their own thoughts)
- False memories (implanting experiences that never occurred)
- Complete mind control (thoughts no longer originating from self)

8. SMART DUST CONCENTRATION THRESHOLDS

Individual Phase (TIs):

- Test dosage via chemtrails, food, water, injections
- Measure accumulation (how much SMART Dust in brain over time)
- Evaluate functionality (minimum concentration for mind control)
- Document side effects (cognitive decline, physical symptoms)
- Assess removal difficulty (can it be detoxed or is it permanent)

Global Phase (Everyone):

- Environmental saturation (ensuring minimum threshold in all humans)
- Continuous deployment (chemtrails, food supply, water treatment)
- Mandatory injections (vaccine delivery ensures concentrated doses)
- No escape (ubiquitous presence makes avoidance impossible)
- Permanent integration (becomes part of biological systems)

EVERY ASPECT OF TARGETED INDIVIDUAL TORTURE IS RESEARCH FOR GLOBAL DEPLOYMENT.

They suffer individually so the technology works perfectly when applied collectively.

THE TIMELINE: FROM BETA TEST TO FULL DEPLOYMENT

THE DOCUMENTED PROGRESSION:

1999-2001: SMART DUST OPERATIONAL

- Microsoft WBAN patent filed (body-to-body networking)
- SMART Dust research published (microscopic wireless sensors)
- Chemtrail deployment begins (atmospheric dispersal)
- Initial targeting subjects selected

2000: FAA PFN TRAC PATENT

- Humans officially classified as "wet ware" (biological computers)
- Aviation industry involvement (pilots as test subjects?)
- Federal government institutionalizes human-as-infrastructure concept

2007: SYSTEMATIC TARGETING BEGINS

- Testimony dates systematic torture from 2007
- Electromagnetic harassment widespread
- Synthetic telepathy deployed
- Children included in targeting

2010: PROJECT SOUL CATCHER DOCUMENTATION

- Dr. Robert Duncan publishes findings
- DARPA consciousness capture technology revealed
- Soul extraction methodology documented

2012: IEEE 802.15.6 PUBLISHED

- International standard for wireless body area networks
- "Accessible location" within biofield technically specified
- Legal/technical framework for IoB established

2013: PATIENT ZERO + BRAIN INITIATIVE

- April 2013: Obama announces DARPA Brain Initiative
- August 2013: Elizabeth Coady implanted (first Neuralink prototype)
- November 2013: DARPA SUBNETS/RAM programs announced
- Perfect timeline correlation = coordinated deployment

2017: DOD-AMAZON CONTRACT

- Amazon Web Services processing on human bodies

- Bodies officially serving as distributed server infrastructure
- Corporate-military partnership formalizing biofield exploitation

2018: DARPA N3 PROGRAM

- Non-surgical neurotechnology
- "High-resolution neural interfaces"
- Wireless brain-to-network communication
- Deployment target: 2023

2019: 5G DEPLOYMENT BEGINS

- Infrastructure enabling IoB wireless communication
- Millimeter wave enabling biofield networking
- Global rollout synchronized

2020: COVID / SYNTHETIC BIOLOGY DEPLOYMENT

- Mass injection campaign (billions receive synthetic biology)
- Self-assembling nano-antennas deployed globally
- SMART Dust + vaccine + 5G = complete IoB infrastructure
- Individual targeting protocols ready for mass scaling

2022: RED HEIFERS ARRIVE ISRAEL

- Temple purification animals imported
- Sacrifice deadline: September 2026
- Temple construction imminent

2023: DARPA N3 OPERATIONAL

- Wireless neural interfaces deployed
- "Completely non-invasive" (SMART Dust via inhalation/ingestion)
- Read/write brain capability active

2024-2025: PRESSURE INCREASES

- Digital ID rollout
- CBDC development
- Smart city expansion

- Freedom city proposals
- Mark of Beast infrastructure completing

2025-2027: TEMPLE CONSTRUCTION

- Third Temple enables global Noahide Law enforcement
- Red heifers sacrificed (purification ritual)
- Religious framework ready

2028-2030: 6G DEPLOYMENT

- Full biofield integration capability
- Bodies as power sources operational
- Peer-to-peer biological networking
- AI automation of all control protocols

2030: MARK IMPLEMENTATION

- Biological network integration offered/mandated
- Neural interface + Digital ID + CBDC combined
- Economic exclusion for refusers
- Noahide Law activated globally
- Electromagnetic torture automated (AI applies TI protocols to all resisters)
- Soul capture/copy/extraction attempt scaled to billions
- Children mandatory (no exemptions)

WHAT TARGETED INDIVIDUALS EXPERIENCED 2007-2024 = WHAT MARK REFUSERS EXPERIENCE 2030+

- The beta test is complete
- The technology works
- The protocols are refined
- The data is collected
- The AI is trained

Global deployment imminent.

WHY THEIR TESTIMONY MATTERS MORE THAN TECHNICAL DOCUMENTATION

THE POWER OF LIVED EXPERIENCE:

We have documented:

- IEEE 802.15.6 technical standards
- DARPA program specifications
- Patent databases
- Synthetic biology research
- Soul extraction theory

But theory is not proof.

Targeted Individuals provide what technical documents cannot:

1. OPERATIONAL CONFIRMATION

"It's not coming—it's here. I've lived it for 17 years."

2. EXPERIENTIAL DETAIL

"This is what electromagnetic torture feels like daily."

"This is what soul extraction attempts feel like."

"This is what attacking your children in their sleep feels like."

"This is what having no way to protect them feels like."

3. HUMAN COST DOCUMENTATION

- Numbers are abstract
- Suffering is real

- Testimony makes it undeniable

4. SYSTEM WEAKNESS IDENTIFICATION

- What works (faith, biofield strengthening, community)
- What doesn't (legal system, medical help, physical shields)
- Where gaps exist ("no way of protecting them")

5. SPIRITUAL WARFARE VALIDATION

- Technology alone cannot explain all phenomena
- Demons + technology = complete picture
- TIs experience both simultaneously

6. PATTERN RECOGNITION

- Individual testimony might be dismissed
- Thousands reporting identical experiences = undeniable pattern
- Global coordination proven by symptom consistency

7. FUTURE PREVIEW

- **Their suffering** = our warning
- **Their resistance** = our example
- **Their survival** = our hope

8. MORAL IMPERATIVE

- **Ignoring TI testimony** = complicity in their torture
- **Acknowledging TI testimony** = responsibility to act
- **We cannot unknow what they've told us**

9. TECHNICAL VALIDATION

Every specification we documented (soul extraction attempt, biofield hijacking, SMART Dust, electromagnetic torture) = confirmed by TIs experiencing it.

10. URGENCY COMMUNICATION

- Technical docs say "possible"
- TI testimony says "happening now"
- Difference: IMMEDIATE ACTION REQUIRED

WITHOUT TARGETED INDIVIDUAL TESTIMONY:

Our investigation would be theoretical speculation about possible future technology.

WITH TARGETED INDIVIDUAL TESTIMONY:

Our investigation is documentation of operational reality being deployed RIGHT NOW.

This changes everything.

- Theory → Proof
- Future → Present
- Possible → Certain
- Academic → Survival

THE MORAL WEIGHT: WE ARE RESPONSIBLE

RECOGNIZING THE IMPLICATIONS:

For 17+ years:

- Targeted Individuals have been tortured
- Children have been attacked
- Souls have been targeted for extraction
- Families have been destroyed
- Careers have been ruined

- Health has been shattered
- Hope has been tested to breaking point

While:

- Government denied it exists
- Medical system called them delusional
- Family/friends abandoned them
- Legal system offered no recourse
- Society dismissed them as "crazy conspiracy theorists"
- Technology advanced using data from their suffering

We have a choice:

OPTION 1: CONTINUE DISMISSING THEM

- Maintain comfortable ignorance
- Avoid uncomfortable truth
- Preserve social acceptability
- Enable continued torture
- **Become complicit in their suffering**
- Face 2030 unprepared (their suffering becomes yours/ours)

OPTION 2: ACKNOWLEDGE AND ACT

- Accept their testimony as truth
- Validate their suffering
- Share their warnings
- Prepare based on their experience
- Support them as they've supported us (by enduring torture to provide data)
- **Honor their sacrifice by refusing to make it meaningless**

THE SACRED DUTY:

Targeted Individuals have paid unimaginable price to provide:

- Early warning (17+ years advance notice)
- Technical validation (confirming all our documentation)

- Operational intelligence (what works, what doesn't)
- Spiritual warfare confirmation (technology + demons)
- Resistance examples (some maintained faith 17+ years despite torture)
- Timeline clarity (2030 convergence proven by TI experience acceleration)

We owe them:

- Belief (accepting their testimony as true)
- Amplification (sharing their warnings)
- Action (preparing based on their intelligence)
- Protection (supporting them however possible)
- Remembrance (never forgetting their sacrifice)
- **Refusal to comply** (making their suffering count for something)

If we ignore their testimony:

- We dishonor their suffering
- We enable continued torture
- We remain unprepared
- We face 2030 blind
- We deserve what comes

If we heed their testimony:

- We validate their courage
- We expose the system
- We prepare spiritually/physically
- We build resistance networks
- We stand firm when our turn comes

1. **THEY SUFFERED SO WE WOULD KNOW.**
2. **THEY ENDURED SO WE WOULD PREPARE.**
3. **THEY SPOKE SO WE WOULD ACT.**

What we do with their testimony determines whether their suffering has meaning.

CONCLUSION

In the pages that follow, you will read:

- Firsthand testimony (17+ years targeted)
- Soul extraction attempts confirmed ("extract essence, store in cloud")
- Children targeting documented ("attacking your children in sleep")
- Biofield hijacking explained (connecting to vehicles, devices, infrastructure)
- Electromagnetic torture detailed (Noahide Law religious compliance enforcement)
- New technical specifications (FAA patent, GM patent, DARPA programs, Microsoft WBAN)
- Specific perpetrators identified (Chabad Lubavitch, Lucis Trust, Alex Karp/Palantir)
- Protection gaps acknowledged ("no way of protecting them")
- Spiritual warfare reality (technology + demons, faith as only true defense)

1. **Every claim in our technical investigation is validated**
2. **Every theory is confirmed operational**
3. **Every future threat is revealed as current reality**

But more importantly:

You will encounter a human being who has endured 17 years of unimaginable suffering to provide you with intelligence that may save your soul.

Read with:

- Humility (recognizing their sacrifice)
- Gratitude (appreciating their courage)
- Seriousness (understanding implications)
- Urgency (acting on their warnings)

- Respect (honoring their testimony)

Remember throughout:

- **This is not isolated abuse**
- **This is systematic research**
- **This is deliberate beta testing**
- **This is coordinated global preparation**
- **This is YOUR FUTURE if you refuse the Mark**

Their suffering individually = Our suffering collectively (post-2030)

- **Their testimony = Our warning**
 - **Their survival = Our hope**
 - **Their resistance = Our example**
-

You have been warned.

You have been prepared.

You have been shown the future.

What you do with this intelligence determines your fate.

Now read.

And never forget what these individuals have endured so you would know the truth.

PREFACE: THE TESTIMONY THAT CHANGES EVERYTHING

Our primary investigation documented the Internet of Bodies using:

- IEEE 802.15.6 technical standards
- Patent documentation
- DARPA program records
- Synthetic biology research
- Electromagnetic weaponry specifications

Our first addendum revealed:

- ARPANET military backbone
- Soul extraction technology
- Alien psyop breakdown
- God particle targeting
- Biofield defense protocols

Now comes the VALIDATION:

A targeted individual has provided testimony confirming EVERYTHING we documented—plus revealing specifications we missed.

- 17 years of operational experience
- Daily targeting since 2007
- Children targeted
- Soul extraction attempted
- Noahide Law enforcement via electromagnetic torture

- Corporate actors identified
- Spiritual warfare confirmed

What follows is not theory.

What follows is FRONTLINE INTELLIGENCE from someone living inside the Beast System we've documented.

Their courage in speaking enables our understanding.

Their suffering validates our research.

Their testimony demands our action.

PART A: WHO IS BEING TARGETED AND WHY

THE TESTIMONY:

"I have absolutely experienced in my targeting all that you describe, and it is quite difficult to articulate that someone is attacking you in spirit in your sleep and your children and you have no way of protecting them."

BLACK FEATHER ANALYSIS:

TARGETED INDIVIDUALS (TIs):

Official narrative: "Mentally ill people experiencing delusions"

Actual reality: TEST SUBJECTS for Internet of Bodies technology

Why certain people targeted:

- Genetic predisposition (specific DNA markers make them ideal test subjects)

- Spiritual sensitivity (can detect electromagnetic manipulation others miss)
- Dissidence (vocal opposition to government/corporate control)
- Bloodline (multi-generational targeting, children included)
- Random selection (control group for comparison data)

THE SELECTION PROCESS:

Not everyone experiences conscious targeting because:

1. Most people already networked (COVID injections deployed synthetic biology to masses)
2. Conscious targeting reserved for: Testing new capabilities, punishment for resistance, data collection on aware subjects
3. Unconscious targeting affects EVERYONE (but most don't detect it)

WHY CHILDREN:

"Attacking you in spirit in your sleep and your children and you have no way of protecting them."

Children targeted because:

- Multi-generational data (tracking families across generations)
- Developmental control (shaping consciousness from birth)
- Trauma bonding (creating dependency on system from childhood)
- Future nodes (ensuring next generation fully integrated)
- Breaking parents (no greater torture than watching children suffer)

This is CALCULATED.

This is INTENTIONAL.

This is EVIL beyond comprehension.

THE ISOLATION:

"It is quite difficult to articulate that someone is attacking you in spirit in your sleep."

Targeting designed to be:

- Invisible (no physical evidence)
- Deniable (sounds "crazy" when described)
- Isolating (family/friends think you're delusional)
- Inescapable (follows you everywhere)
- Exhausting (constant assault wears down resistance)

Result: Victims isolated, disbelieved, labeled mentally ill, unable to get help.

This is PSYCHOLOGICAL WARFARE combined with technological assault.

WHO IS DOING THIS:

Based on testimony:

- DARPA (Soul Catcher, N3 program)
- Palantir / Alex Karp (pre-crime AI, drone weapons)
- Chabad Lubavitch (Noahide Law enforcement)
- UN / Lucis Trust (spiritual control architecture)
- Corporate actors (Microsoft, GM, tech companies)
- Intelligence agencies (CIA, NSA, Mossad)

Coordinated by:

- Committee of 300
- Crown Council of 13
- Khazarian Mafia apex controllers

WHY IT MATTERS:

What happens to targeted individuals TODAY happens to everyone TOMORROW.

They are testing:

- Soul extraction attempt (will scale to masses)
- Noahide enforcement (will be global)

- Children targeting (will be normalized)
- Electromagnetic torture (will be automated)
- Spiritual warfare tech (will be ubiquitous)

=> Ignoring targeted individuals = Ignoring your own future.

Their suffering is PREVIEW of what's coming for all who resist the Mark.

PART B: SOUL EXTRACTION ATTEMPT CONFIRMATION — "Store It in a Cloud"

THE TESTIMONY:

"They are attempting to extract your essence and store it in a cloud."

BLACK FEATHER ANALYSIS:

This DIRECTLY CONFIRMS our Part 2 addendum claims about aimed soul extraction technology.

TERMINOLOGY DECODED:

"Extract your essence" = Soul extraction attempt (22 grams, base of spine, electromagnetic device)

"Store it in a cloud" = Digital storage of consciousness/soul signature

THE TECHNICAL PROCESS:

CAPTURE/COPY - EXTRACTION/SIMULATION:

1. Electromagnetic device (described in Part 2 as "size of clothing iron")
2. Targets base of spine (beneath lungs, soul location)
3. Tries to capture/copy/pull soul's energy signature from body
4. Transfers recorded data to containment/storage

CLOUD STORAGE:

- Not metaphorical "cloud computing"
- Actual QUANTUM COMPUTING storage of consciousness components
- Soul's energy pattern simulated/digitized
- Stored in server farm (likely military/corporate data centers)
- Retrievable for transfer to clones, synthetics, virtual environments

THE EXPERIENCE:

What testimony reveals about HOW IT FEELS:

"Attacking you in spirit in your sleep"

→ **Extraction attempts often during sleep (consciousness vulnerable, body relaxed, defenses lowered)**

"You have no way of protecting them"

→ **Physical barriers don't work (electromagnetic passes through walls)**

→ **Distance doesn't work (satellite/5G reaches anywhere)**

→ **Legal recourse doesn't work (officially doesn't exist)**

THE PURPOSE:

Why extract/copy and store soul captured data in cloud:

1. DIGITAL TWIN CREATION

Complete consciousness component backup for:

- AI training (teaching AI to mimic your consciousness)
- Transfer capability (moving soul activity records and bio-field data set to synthetic body/virtual world)
- Control mechanism (threatening to delete/torture stored consciousness components)

2. CONSCIOUSNESS TRAFFICKING

Extracted soul data can be:

- Sold (black market for consciousness components)
- Installed in synthetics (creating "aliens," androids, clones)
- Trapped in virtual reality (metaverse prisoners)
- Tortured indefinitely (eternal punishment simulation without death)

3. BODY LIBERATION

Empty bodies (soul data copied/extracted but body alive) used for:

- Demonic possession (vessels for fallen angels)
- AI control (biological robots)
- Elite consciousness transfer (Nephilim soul data set into fresh bodies)

THE PROJECT SOUL CATCHER CONNECTION:

Testimony specifically mentions:

"What Dr. Robert Duncan has described as Project Soul Catcher."

DR. ROBERT DUNCAN:

- Former DARPA scientist
- Worked on classified mind control programs
- Wrote "Project: Soul Catcher" (2010)
- Documents technology for capturing/storing human consciousness
- Describes electromagnetic targeting of individuals
- Confirms remote neural monitoring, synthetic telepathy, consciousness manipulation

His revelations VALIDATE:

- Soul extraction technology is real
- DARPA developed it
- It's operational (not theoretical)
- Targeted individuals are test subjects
- Goal is consciousness control/theft

BIBLICAL CONFIRMATION:

Matthew 10:28:

"Fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell."

Technology attempts to:

- Extract soul (separate from body)
- Store soul (digital containment)
- Torture soul (electromagnetic manipulation)

Technology CANNOT:

- Destroy soul (only God can)
- Prevent final judgment (soul ultimately faces God)
- Remove free will permanently (unless Mark taken)

THE PROTECTION GAP:

"You have no way of protecting them."

Current limitations:

- Physical shields don't work (EM passes through)
- Legal system won't help (officially doesn't exist)
- Medical system won't help (labels you delusional)
- Technology can't block (they control the infrastructure)

What DOES work (from testimony + our research):

- Faith in God (divine protection blocks extraction)
- Spiritual warfare (authority over demonic forces)
- Biofield strengthening (makes capture/copy/extraction attempt harder)
- Community support (breaks isolation, shares knowledge)

But even these provide INCOMPLETE protection when children targeted.

This is the reality: Parents watching children suffer electromagnetic torture with limited ability to stop it.

This is the Beast System operational.

And it's been running for 17+ years or more on targeted individuals.

Soon it will run on everyone.

PART C: BIOFIELD HIJACKING — "Connect You to Other Things"

THE TESTIMONY:

"They can connect you to other things too, a neighbor's car, a truck, an industrial vehicle, all of it illustrated in the FAA PFN TRAC patent in 2000 calling us wet ware."

BLACK FEATHER ANALYSIS:

This reveals CRITICAL technical specifications we hadn't fully documented.

"WET WARE" DEFINITION:

Computer terminology:

- Hardware = Physical machines
- Software = Code/programs
- Wetware = **BIOLOGICAL COMPUTING** (human brain/body)

FAA (Federal Aviation Administration) calling humans "wet ware" in 2000 patent means:

- Government officially classifies humans as BIOLOGICAL COMPUTERS
- Patent filed 13 years before our documented timeline (2013 Coady implantation)
- Aviation industry involved (pilots? passengers? air traffic controllers as network nodes?)

FAA PFN TRAC PATENT (2000):

BLACK FEATHER RESEARCH NEEDED:

- Full patent number/title
- Specific wetware applications
- How aviation connects to IoB
- Whether this predates DARPA Brain Initiative by 13 years

But testimony confirms: Government treating humans as biological computers since AT LEAST 2000.

CONNECTING TO VEHICLES:

"They can connect you to other things too, a neighbor's car, a truck, an industrial vehicle."

Your biofield can be NETWORKED to:

VEHICLES:

- Your car (obvious, you're inside it)
- Neighbor's car (proximity-based)
- Trucks (commercial vehicles)
- Industrial vehicles (construction, farming, military)

HOW THIS WORKS:

Modern vehicles are:

- Rolling computers (50-100 microprocessors per vehicle)
- Networked (cellular, WiFi, Bluetooth, satellite)
- Sensor-laden (cameras, radar, lidar, microphones)
- Data-streaming (constantly transmitting to manufacturers, government)

Your biofield INTERFACES with vehicle when:

- You sit in it (biofield surrounds you inside vehicle)
- You stand near it (biofield extends 3-6 feet)
- Vehicle's EM field overlaps with yours (two fields interact)

RESULT:

Vehicle becomes EXTENSION of your body:

- Sensors become your sensors (seeing through vehicle cameras)
- Processors become your processors (thinking through vehicle computers)
- Network becomes your network (transmitting through vehicle's cellular)

You don't drive car.

You MERGE with car.

You become HYBRID (human-vehicle consciousness).

THE GM GLOBAL PATENT:

Testimony reveals:

"GM Global having a patent to harvest your energy to store it somewhere in the vehicle."

Translation:

- General Motors patented technology to DRAIN YOUR BIOFIELD
- Electromagnetic energy extracted from your body
- Stored in vehicle battery
- You're POWERING THE CAR with your life force

This explains:

- Why driving is exhausting (literally draining your energy)
- Why passengers feel tired (everyone in vehicle being drained)
- Why long drives are debilitating (extended energy extraction)

This is VAMPIRISM through technology.

Every drive in modern vehicle:

- Drains your biofield
- Stores energy in battery
- Weakens your electromagnetic defenses
- Makes you more vulnerable to manipulation

THE DARPA 6G BODY HARVESTING:

Testimony confirms:

"DARPA describing powering 6g using the human body."

We documented bodies as DATA INFRASTRUCTURE.

Testimony adds: Bodies as POWER SOURCE.

6G network will be POWERED BY HUMANS:

- Electromagnetic energy harvested from biofields
- Billions of bodies generating electricity
- Network runs on human life force
- We become BATTERIES for the Beast System

Matrix movie wasn't fiction.

It was DOCUMENTARY.

Humans as batteries = ACTUAL DARPA PLAN.

THE IMPLICATIONS:

When your biofield connects to vehicles, devices, infrastructure:

YOU BECOME:

- Network node (data routes through you)
- Power source (energy drained from you)
- Sensor array (they see/hear through you)
- Controlled entity (vehicle's AI can influence you)

YOU CANNOT:

- Escape surveillance (every vehicle around you is monitoring)

- Preserve energy (constantly being drained)
- Maintain boundaries (your biofield is public infrastructure)
- Resist connection (proximity automatically networks you)

This is why:

- Smart cities feel oppressive (constant biofield drain/manipulation)
- Crowds are exhausting (thousands of biofields interfering)
- Modern life is depleting (everything harvesting your energy)
- Nature is restorative (biofield resets to natural frequency, no tech draining you)

THE PROTECTION:

Minimize vehicle exposure:

- Walk when possible (no vehicle connection)
- Older vehicles (fewer computers, less networking)
- Grounding after driving (discharge accumulated EM)
- Biofield strengthening (rebuild what was drained)

But ultimately:

- Can't avoid ALL vehicles (modern life requires them)
- Can't prevent neighbor's cars from connecting (proximity networking)
- Can't stop energy harvesting (it's automatic when networked)

The system is designed to be INESCAPABLE.

PART D: SMART DUST — The Invisible Network Infrastructure

THE TESTIMONY:

"Now, it is SMART meters and SMART Dust harvesting... SMART DUST seem to indicate this can be achieved by dispersing the SMART DUST so that it can penetrate deeply into the brain to send data in and data back out. This was in 1999-2001."

BLACK FEATHER ANALYSIS:

SMART Dust is the MISSING LINK in our IoB documentation.

WHAT IS SMART DUST:

Official description:

- Microscopic wireless sensors (smaller than grain of sand)
- Self-powered (harvests energy from environment/body)
- Networked (communicates with other dust particles)
- Multi-functional (sensing, data processing, transmission)

ACTUAL CAPABILITY:

When deployed in human body:

- Penetrates deeply into brain (crosses blood-brain barrier)
- Self-assembles into network nodes (like synthetic biology from injections)
- Sends data in (commands, thoughts, emotions)
- Sends data out (biometric readings, neural activity, location)

THE 1999-2001 TIMELINE:

Testimony reveals SMART Dust operational:

- Same time as FAA wetware patent (2000)
- Same time as Microsoft WBAN patent (1999-2001)
- 12-14 years BEFORE our documented timeline (2013)

This means IoB infrastructure was being deployed in LATE 1990s.

DEPLOYMENT METHODS:

How SMART Dust gets inside bodies:

1. CHEMTRAILS:

- Aerial spraying (visible as contrails)
- Particulates inhaled (enter lungs)
- Penetrate blood-brain barrier (circulate to brain)
- Self-assemble inside body (create network nodes)

2. FOOD/WATER:

- Added to food supply (processing, packaging)
- Added to water supply (treatment plants)
- Consumed daily (continuous exposure)
- Accumulates over time (builds concentration)

3. INJECTIONS:

- Vaccines (official medical system)
- IV fluids (hospitals)
- Dental anesthetics (dentist visits)
- Blood draws (testing procedures)

4. DRONES:

- Dispersal from above (targeted or area-wide)
- Invisible to naked eye (microscopic particles)
- Settles on skin (penetrates through pores)
- Inhaled when outdoors (enters respiratory system)

5. CONSUMER PRODUCTS:

- Cosmetics, lotions, shampoos
- Clothing, bedding, furniture
- Cleaning products, air fresheners
- "Smart" devices emit as byproduct

THE DARPA N3 PROGRAM:

Testimony specifically mentions:

"DARPA's N3... Wireless brain images showing the exact areas of the brain to be penetrated."

N3 = Next-Generation Nonsurgical Neurotechnology

DARPA program (2018 launch, but research began earlier):

- Goal: "High-resolution neural interfaces"
- Method: "Completely non-invasive or minimally invasive"
- Function: "Read from and write to" brain
- Timeline: "Deliver deployable systems" by 2023

What "non-invasive" actually means:

- NOT "no invasion"
- Means "no visible surgery"
- ACTUAL METHOD: SMART Dust deployed via inhalation, ingestion, injection

They're not cutting open your skull.

They're putting nano-sensors IN YOUR BRAIN through your nose, mouth, blood.

THE PATENT FOR MIND CONTROL:

Testimony references:

"That exact information is in a patent for accessing the brain for mind control."

This confirms:

- Mind control is PATENTED technology
- Patents show exact brain regions targeted
- Government/corporations LEGALLY OWN mind control methods
- It's not "conspiracy theory"—it's INTELLECTUAL PROPERTY

THE EXPERIENCE:

Targeted individuals report:

- Feeling particles in air (especially after chemtrails)
- Strange taste in water (metallic, chemical)
- Sudden onset of symptoms (after exposure to new area)
- Worsening near 5G towers (dust activated by frequencies)
- Relief in nature far from civilization (less dust concentration)

THE MECHANISM:

Once SMART Dust inside brain:

READING (Data Out):

- Monitors neural activity
- Detects thought patterns
- Records emotional states
- Tracks decision-making processes

WRITING (Data In):

- Injects thoughts (voice-to-skull)
- Modulates emotions (mood control)
- Suggests behaviors (influence actions)
- Overrides choices (direct control attempts)

THE VALIDATION:

Why testimony matters:

"They would not continuously have articles with Wireless brain images showing the exact areas of the brain to be penetrated."

Translation: If it wasn't real, they wouldn't keep publishing research showing EXACTLY where/how to penetrate brain.

The research is PUBLIC because:

- They need to recruit scientists
- They want to normalize the technology
- They know most people won't understand implications
- Those who do understand will be dismissed as "conspiracy theorists"

THE PROTECTION:

Against SMART Dust:

PREVENTION:

- Filter air (HEPA filters at home)
- Filter water (reverse osmosis, distillation)
- Avoid injections (no more vaccines, blood draws only when critical)
- Minimize processed food (grow own, buy local)
- Stay indoors during visible spraying (chemtrail days)

REMOVAL:

- Heavy metal chelation (binds to metallic nano-particles)
- Zeolite/activated charcoal (absorbs toxins)
- Extended fasting (autophagy clears cellular debris)
- Sweating (sauna, exercise, expels through skin)
- Grounding (electromagnetic discharge)

LIMITATION:

- Cannot avoid ALL exposure (it's everywhere)
- Cannot remove ALL that's accumulated (some permanently integrated)
- Cannot prevent FUTURE exposure (deployment ongoing)

The system is designed for INESCAPABLE, CUMULATIVE exposure.

By the time you know it's happening, you're already saturated.

PART E: NOAHIDE LAW ENFORCEMENT — Electromagnetic Torture as Religious Compliance

THE TESTIMONY:

"Electromagnetically inflicted in my assessment based on what has been done to me the Noahide Law based upon a spiritual warfare of prophecy prophesier supernatural occult based ritual system. It intends to force upon the person the whole of not just Noahide but also Mosaic law when that person may not even be Jewish."

BLACK FEATHER ANALYSIS:

This is the MOST CRITICAL revelation in the entire testimony.

IoB is not just surveillance.

IoB is not just control.

IoB is RELIGIOUS LAW ENFORCEMENT via electromagnetic torture.

THE NOAHIDE LAWS (Review):

Seven laws from Babylonian Talmud:

1. No idolatry
2. No blasphemy
3. No murder
4. No theft
5. No sexual immorality
6. No eating flesh from living animal
7. Establish courts to enforce these laws

Why they matter:

- Signed into U.S. law (1991, George H.W. Bush, Public Law 102-14)
- Penalty for violation: **DEATH (decapitation or stoning)**
- Define idolatry to include: **WORSHIPING JESUS AS GOD**

THE ELECTROMAGNETIC ENFORCEMENT:

Testimony reveals HOW Noahide Laws are being enforced:

PROCESS:

1. Monitor thoughts/behaviors via IoB (detect "violations")
2. Inflict electromagnetic torture (punishment)
3. Continue until compliance (behavior modification)
4. Escalate if resistance (increase torture intensity)
5. Ultimate penalty (Noahide Law execution if refuse to comply)

WHAT THIS LOOKS LIKE:

"Inflict terror upon the person who is being made to feel they have committed an unforgivable sin."

The system:

- Detects thoughts about Jesus
- Classifies as "idolatry" (Noahide Law violation)
- Inflicts electromagnetic pain
- Creates feeling of guilt/sin
- Continues until person stops worshiping Christ

This is **TECHNOLOGICAL BLASPHEMY OF THE HOLY SPIRIT.**

Making people feel UNFORGIVABLE for committing idolatry.

THE MOSAIC LAW ADDITION:

"Force upon the person the whole of not just Noahide but also Mosaic law when that person may not even be Jewish."

Mosaic Law = Old Testament law (613 commandments)

Includes:

- Dietary restrictions (kosher laws)
- Sabbath observance (Saturday worship)
- Ritual purification (ceremonial cleansing)
- Temple practices (animal sacrifice)

System attempts to FORCE compliance with:

- Jewish religious law
- On non-Jewish people
- Through electromagnetic torture
- Creating feeling of "sin" for non-compliance

THE SPIRITUAL WARFARE:

"Based upon a spiritual warfare of prophecy prophesier supernatural occult based ritual system."

This confirms: Not just technology—OCCULT RITUAL.

The targeting involves:

- Electromagnetic technology (measurable, scientific)
- Demonic entities (spiritual warfare)
- Occult rituals (ceremonies, spells, invocations)
- Prophetic manipulation (trying to force Biblical prophecy fulfillment)

This is HYBRID WARFARE:

- Technology + demons
- Science + sorcery
- AI + fallen angels

THE HIDDEN METHODS:

"Those involved appear to be intent on using hidden methods of unleashing the full scope of the Noahide laws onto the individuals being targeted."

Why "hidden methods":

- Can't publicly execute Christians yet (too much resistance)
- Can't publicly enforce religious law yet (Constitutional violations)
- Solution: COVERT enforcement via electromagnetic torture
- Targeted individuals serve as TEST for what's coming OVERTLY later

THE THREATENING:

"They are not above threatening people with harm and death."

Voice-to-skull technology delivers:

- Verbal threats
- Death warnings
- Torture predictions
- Family targeting threats

All untraceable (no external voice, all in victim's head).

THE APARTHEID CONNECTION:

Testimony mentions:

"Stephen Ben Nun and Jana Ben-Nun who reveal the shocking truths about Israel's APARTHEID STATE structure."

This connects:

- Israeli government (Khazarian Mafia control)

- Apartheid system (discrimination, segregation)
- Noahide Law enforcement (religious totalitarianism)
- IoB technology (enforcement mechanism)

The same people running apartheid in Israel are deploying IoB globally to enforce Noahide Laws on everyone.

THE BIBLICAL WARNING:

Revelation 20:4:

"And I saw the souls of them that were BEHEADED for the witness of Jesus, and for the word of God, and which had not worshipped the beast."

Noahide Law penalty for "idolatry" (believing in/worshipping Jesus), their claim: believe in Jesus = worship Jesus => **DECAPITATION**

The testimony confirms: This is not metaphor—this is LITERAL law enforcement mechanism being deployed through electromagnetic torture NOW, preparing for open executions LATER.

THE PROTECTION:

Against Noahide Law enforcement:

SPIRITUAL:

- Maintain belief in Jesus's teaching (despite torture)
- Authority over demonic forces (command them to leave)
- Blood of Christ covering (protection from occult attack)
- Fellowship with believers (group spiritual strength)

TECHNOLOGICAL:

- EMF reduction (limits torture signal strength)
- Biofield strengthening (resists electromagnetic pain)
- Grounding (discharges torture frequencies)

- Faraday shielding (blocks some signals)

MENTAL/EMOTIONAL:

- Recognize guilt as IMPOSED (not from God)
- Understand pain as ATTACK (not divine judgment)
- Maintain truth despite feelings (emotions are manipulated)
- Document experiences (evidence for others)

COMMUNITY:

- Connect with other TIs (break isolation)
- Share experiences (validate reality)
- Provide mutual support (emotional, spiritual)
- Organize resistance (collective defense)

THE WARNING FOR ALL:

What happens to targeted individuals NOW:

- Electromagnetic torture for "thought crimes"
- Forced compliance with religious laws
- Feeling of "unforgivable sin" for worshiping/believing in Christ
- Threats against self and family

Will happen to EVERYONE who refuses the Mark:

- Network integration enables targeting at scale
- AI automates torture (no human operators needed)
- 5G/6G infrastructure reaches everyone
- Mark refusers automatically targeted

=> *Testimony from TIs is PREVIEW of your future if you resist.*

Prepare spiritually.

Prepare mentally.

Prepare for suffering.

Because Revelation 13:15-17 is being deployed RIGHT NOW via Internet of Bodies.

PART F: THE CHABAD LUBAVITCH CONNECTION — Identifying the Perpetrators

THE TESTIMONY:

"The Chabad Lubavitch movement has worked for decades to push as a global one world religion system."

BLACK FEATHER ANALYSIS:

This identifies SPECIFIC ORGANIZATION behind Noahide Law push.

WHO IS CHABAD LUBAVITCH:

Official description:

- Orthodox Jewish Hasidic movement
- Founded 1775 in Eastern Europe
- Headquarters: Brooklyn, New York
- Global presence: 4,000+ centers in 100+ countries
- Mission: Spread Judaism, prepare for Messiah

ACTUAL AGENDA:

Based on testimony + research:

- Push Noahide Laws globally
- Establish "one world religion"
- Position Judaism as supreme faith

- Use Noahide to control non-Jews
- Prepare for "Messiah" (Antichrist)

THE EDUCATION DAY CONNECTION:

Testimony reveals:

"Framed around this idea of Education Day since 1978."

Education Day U.S.A.:

- Proclaimed annually since 1978
- Honors Chabad's Rebbe (Menachem Mendel Schneerson)
- Public Law 102-14 (1991) made it official
- SAME LAW that enshrined Noahide Laws in U.S. code

The "education" is INDOCTRINATION into Noahide system.

THE INFILTRATION:

"They have allowed Bill Gates and UNESCO in our school systems."

Chabad works with:

- Bill Gates (funding education initiatives)
- UNESCO (UN education agency)
- U.S. Department of Education
- State/local school boards

To implement:

- Noahide Law curriculum
- Anti-Christian education
- Jewish supremacy doctrine
- Preparation for global religious system

THE POLITICAL CONNECTIONS:

Chabad has relationships with:

- U.S. Presidents (Trump, Bush, Clinton, Obama all photographed with Chabad rabbis)
- Israeli leadership (Netanyahu, past PMs)
- Russian oligarchs (Khazarian Mafia connections)
- Corporate elite (finance, tech, media)

=> This is not "*Jewish community organization.*" This is **POLITICAL OPERATION** with **global reach.**

THE KHAZARIAN CONNECTION:

Chabad Lubavitch:

- Founded in Eastern Europe (former Khazarian territory)
- Ashkenazi Jewish (95% Khazarian, not Semitic—documented in Chapter 11)
- Push Talmudic Judaism (Babylonian, not Biblical)
- Supremacist doctrine (goyim as cattle)
- Noahide Laws as control mechanism

=> *This is KHAZARIAN MAFIA religious arm.*

Just as:

- Rothschilds = Financial arm
- Mossad = Intelligence arm
- Freemasonry = Occult arm
- Chabad Lubavitch = Religious arm

All coordinating to implement Beast System.

THE ONE WORLD RELIGION:

Chabad's vision:

- Judaism supreme (chosen people narrative)
- Noahide Laws for gentiles (goyim controlled by religious law)
- Messiah ruling (Antichrist as "Jewish Messiah")

- Temple rebuilt (enabling Noahide Law enforcement globally)
- Christians/Muslims submit or die (refuse Noahide = idolatry = execution)

This fulfills Revelation 13:

- One religion (Noahide system)
- Worship of Beast (refusal = death)
- Global enforcement (through IoB technology)

THE EXPOSURE:

Why testimony matters:

- Names specific organization (Chabad Lubavitch)
- Documents timeline (since 1978, Education Day)
- Identifies infiltration (schools, UN, government)
- Connects to Noahide enforcement (electromagnetic torture implementing their laws)

This is not vague "Illuminati."

This is SPECIFIC GROUP with documented connections, identified agenda, operating openly.

THE PROTECTION

Against Chabad influence:

EDUCATIONAL:

- Homeschool (avoid Noahide curriculum)
- Teach Biblical/Quranic truth (counter Jewish supremacy)
- Expose Khazarian identity theft (they're not Biblical Jews)
- Research Chabad connections (know who serves them)

POLITICAL:

- Oppose Education Day proclamations
- Challenge Noahide Law in courts
- Expose politician connections to Chabad
- Demand separation of synagogue and state

SPIRITUAL:

- Recognize deception (they claim God's authority falsely)
- Maintain authentic Christian/Islamic faith (despite Noahide pressure)
- Refuse to worship "Messiah" when presented (he will be Antichrist)
- Trust Biblical prophecy (this was predicted)

THE WARNING:

Chabad Lubavitch is not fringe organization

- They have ear of presidents, prime ministers, oligarchs
- They push Noahide Laws through official government channels
- They coordinate with IoB deployment for enforcement

This is MAINSTREAM POWER exercising religious totalitarianism.

And most Christians don't even know they exist.

PART G: THE LUCIS TRUST / UN CONNECTION — Luciferian System Administering Noahide

THE TESTIMONY:

"The reality is that Noahide Laws intend to be administered within a Luciferian system at the UN that appear to have been in place though maybe not enforced since its founding because the Lucis Trust is an NGO publishing company that provides the UN with its spiritual guidance and in this, they do not honor or uphold Christian values but instead have favored the establishment of a Luciferian model."

BLACK FEATHER ANALYSIS:

This exposes the SPIRITUAL CONTROL ARCHITECTURE at the United Nations.

WHAT IS LUCIS TRUST:

HISTORY:

- Founded 1922 as "Lucifer Publishing Company" by Alice Bailey
- Changed name to "Lucis Trust" in 1925 (too obvious)
- Established to spread "Ancient Wisdom" (occult doctrine)
- Based on teachings of Helena Blavatsky (Theosophy, satanism)

CURRENT ROLE:

- NGO (Non-Governmental Organization) with consultative status at UN
- Publishes materials for UN programs
- Provides "spiritual guidance" to UN leadership
- Hosts "World Goodwill" conferences at UN
- Maintains "Meditation Room" at UN headquarters

DOCTRINE:

- Luciferianism (worship of Lucifer as "light bearer")
- "Christ consciousness" (New Age, not Biblical Christ)
- "One world religion" (all paths lead to same god)
- "Hierarchy of Ascended Masters" (demons masquerading as enlightened beings)
- Preparation for "World Teacher" (Antichrist)

THE UN SPIRITUAL FRAMEWORK:

Official narrative: UN is secular, neutral organization

Actual reality: UN has OFFICIAL SPIRITUAL GUIDANCE from Luciferian organization

This means:

- Every UN policy influenced by Lucis Trust doctrine
- All UN programs align with Luciferian goals
- UN leaders receive occult spiritual "counsel"
- Global governance structured around satanic principles

THE NOAHIDE CONNECTION:

Why Luciferian system administers Noahide Laws:

SURFACE LEVEL:

- Noahide Laws appear "righteous" (no murder, theft, etc.)
- Judaism appears "legitimate" (Abrahamic, monotheistic)
- System appears "moral" (religious law, not tyranny)

ACTUAL LEVEL:

- Noahide Laws are Talmudic (Babylonian occultism)
- Khazarian "Judaism" is Satanic (documented in Chapter 11)
- System is totalitarian (death for thought crimes)
- Lucis Trust provides spiritual justification (occult covering)

**The UN uses LUCIFERIAN ORGANIZATION to administer SATANIC RELIGIOUS
LAW disguised as "universal moral code."**

THE MEDITATION ROOM:

UN headquarters has dedicated "Meditation Room":

- Designed by Dag Hammarskjöld (UN Secretary-General, occultist)
- Contains altar with 6.5 ton magnetite block (occult significance)
- Dim lighting, no religious symbols (deliberately ambiguous)
- Used for occult rituals by UN leadership
- Maintained by Lucis Trust

=> This is not "interfaith prayer room." This is OCCULT TEMPLE in heart of global government.

THE ALICE BAILEY TEACHINGS:

Founder of Lucis Trust taught:

- "Externalization of the Hierarchy" (bringing demons into physical realm)
 - Preparation for "Christ" (actually Antichrist)
 - "New World Religion" (synthesis of all faiths under Luciferian doctrine)
 - Elimination of Christianity (viewed as obstacle to "spiritual evolution")
 - Use of world crises to force changes (problem-reaction-solution)
- => These teachings DIRECTLY INFLUENCE UN policy.*

THE THEOSOPHY CONNECTION:

Alice Bailey was student of Helena Blavatsky (founder of Theosophy).

Blavatsky taught:

- Lucifer is actually the good guy (liberator of humanity)
- God of the Bible is actually evil (keeping humanity in bondage)
- Serpent in Genesis was hero (gave knowledge to humans)
- Satanism is enlightenment (inversion of Christianity)

This is the SPIRITUAL FOUNDATION of:

- United Nations
- Lucis Trust
- New Age movement
- Globalist agenda
- Beast System religious structure

THE INFILTRATION:

Lucis Trust operates:

- World Goodwill (UN NGO promoting global governance)
- Arcane School (teaching occultism)
- Lucis Publishing (spreading doctrine)
- Full Moon Meditations (global occult rituals)

With reach into:

- UN agencies (WHO, UNESCO, UNICEF)
- Governments (many leaders trained in Lucis doctrine)
- Education systems (New Age curriculum)
- New Age spirituality (yoga, meditation, "consciousness")

THE NOAHIDE ENFORCEMENT:

Lucis Trust + Chabad Lubavitch coordination:

CHABAD:

- Religious law (Noahide framework)
- Jewish authority (claim to God's favor)
- Educational infiltration (schools, universities)
- Political connections (presidents, prime ministers)

LUCIS TRUST:

- Spiritual justification (occult covering)
- UN institutional power (global reach)
- New Age camouflage (appears benign)
- Luciferian doctrine (actual satanism)

TOGETHER:

- Chabad provides laws
- Lucis provides philosophy
- UN provides enforcement mechanism
- IoB provides technological implementation

BIBLICAL CONFIRMATION:

Revelation 13:11-12:

"And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast."

"Like a lamb" = Appears religious, moral, righteous

"Spake as a dragon" = Actually satanic, demonic, evil

Noahide Laws administered by Lucis Trust:

- APPEAR moral ("universal laws")
- ACTUALLY satanic (Luciferian inversion)

THE WARNING:

- The UN is not neutral.
 - The UN is not secular.
 - The UN is OCCULT TEMPLE with global reach.
1. Its "spiritual guidance" comes from organization literally named after LUCIFER.
 2. Its religious law system (Noahide) will execute Christians for believing in = worshiping Christ.
 3. Its technological enforcement (IoB) is operational.

Everything converging toward 2030.

THE PROTECTION:

Against Lucis Trust / UN spiritual deception:

RECOGNIZE:

- UN is satanic organization (not neutral governance)
- "One world religion" is Antichrist system (not peace)
- "Spiritual but not religious" is Luciferianism (not enlightenment)
- New Age is rebranded occultism (not spiritual evolution)

REJECT:

- UN authority over your life

- Noahide Laws as legitimate
- "Interfaith" as unity (it's compromise)
- "Christ consciousness" as Christian (it's demonic deception)

REMAIN:

- Faithful to Biblical/Quranic Christ (not New Age "christ")
- Separate from occult practices (yoga, meditation to demons, channeling)
- Alert to spiritual warfare (this is demons, not "ascended masters")
- Grounded in Scripture (truth vs. deception)

The Beast System has official « spiritual » guidance.

- It comes from Lucifer.
- Administered through UN.
- Enforced via Noahide Laws.
- Implemented through IoB.

=> *This is not theory. This is documented institutional structure.*
